This package is ideal for individuals who have a need to re-study PRINCE2®, and are looking for a mixture of self-study and classroom training. Candidates should prepare for the exam using SPOCE's e-Learning, and then attend a 1-day exam preparation event to fine-tune their understanding with an approved PRINCE2® trainer. Included in this package is SPOCE's e-Learning, the latest PRINCE2® Manual; and the Re-Registration Exam. The exam date can be chosen when you are coming to the end of your study, and can be taken online or at a SPOCE exam venue.

Re-Registration Exam only - £150 + VAT

If you are confident that your knowledge of PRINCE2® is up to date and you do not require any training or support, then you may choose to take this exam-only option. This is just the 1-hour exam without any training provided by SPOCE. Once purchased, SPOCE will contact you to arrange an exam date. The exam can be taken either at an examination event with SPOCE, or online at your own premises.

Why do I have to re-register?

The PRINCE2 Examination Board has determined that all PRINCE2® Practitioners should be re-registered within 3-5 years of their original certification. This re-registration comprises a 1-hour examination set at the same standard as the Practitioner examination. All Practitioners who have taken the PRINCE2® Practitioner qualification since October 2000 have agreed or are agreeing to this requirement as part of their initial application and so are now designated as Registered Practitioners.

How long does my registration last for?

The registration has a validity of five years and Registered Practitioners will be required to take a re-registration examination to confirm their competence in the PRINCE2® Methodology before the end of the five year period.

What happens if I have gone past my 5-year period?

SPOCE can arrange the Re-Registration exam for you. If you have exceeded the 5-year term, you can still take the 1-hour Re-Registration exam. In the meantime you should be aware that your "Registered" status is lapsed, and this will be shown on the APMG Candidate Register.
